PROCEDURES

1. Drones, unmanned ariel vehicles (UAV)s, radio-controlled model aircraft, and other such remotely piloted aircraft (whether equipped with photographic equipment or not) may not be launched or landed on Star Ranch Property.
2. No member or visitor or guest may operate such a vehicle in such a way that causes it to overfly Star Ranch property.
3. No flight of any such vehicle may be controlled by anyone on Star Ranch Property.
4. Exceptions to this rule require Board of Director approval, operational insurance by the owner and/or pilot of the drone, and conspicuous credentials as required for photography on Star Ranch property.
5. Persons with approval to fly a drone on Star Ranch property will be identified with a wristband or other such means.

6. Members will be notified if a drone is conducting official business for Star Ranch and the location and period the drone will be used.
7. Drone activity is subject to the Photography and videography rules.
